As your tenderness shines in my heart
I feel the call to join your hand
Heart to heart we make love the way
Only love can confirm us

**And we walk with our joy
With our hearts full of sunshine
Shining for you the way 2x**

As your glory shines In my heart
I feel the call to join your land
Heart to heart we make love the way
Thy glory bestow

**And we walk with our joy
With our hearts full of sunshine
Shining for you the way 4x**

Bridge:

And we know deep inside
Our true home is the love and wisdom within
Yes we know deep inside our true home
Is the looooooove and wisdom within

As your tenderness shines In my heart
I feel the call to join your hand
heart to heart we make love the way
only love can confirm us

**And we walk with our joy
With our hearts full of sunshine
Shining for you the way 4x**
