

# Claim It Back Today

Music & Lyrics by Andrea Leonhardi © 2015 / [www.heavensjoyfullmusic.com](http://www.heavensjoyfullmusic.com) / CD: „Love Is Who We Are“  
2015

We have been so one, we have been so strong  
We moved even stone with the strength of being one

We built and claim under the dome of heaven  
And with our bodies we lived the same

Nothing in between, a love unseen, that realised what was needed at that time

**If we claimed it back today, connect to the original way  
Brotherhood can be restored, as we all come from the one same source**

From this grace we worked together and never we loosed  
This beauty of divine true order

All night all day we walked in a constant way  
Held in thy womb we never strayed

**If we claim it back today, connect to the original way  
Brotherhood can be restored, as we all come from the one same source**

We transformed even stone with the strength of being one  
We all aligned, with true magic it was done

Orion shines, under the dome of heaven  
Let's build the divine with its eternal shine

Nothing in between, a love unseen, that realises **what is needed** today  
What is needed today

**Let's claim it back today, connect to the original way  
Brotherhood can be restored, as we all come from the one same source**

51° degree with the magic of the angle  
Connected to the stars - pure love and us in all

**With every sunrise we claim it again, hand in hand we'll do it this time**

Just look around - I see it in your eyes  
With every star and every cycle

**Our power is a sunrise Our power is a sunrise  
Our power is a sunrise Our power is a sunrise  
Our power is the sunrise**
