Come back to love come back to my heart
Come back to love my true home is my love
Come back to love I come back to my sweet heart
Come back to love my true home is my love

And I sing my song being all I am
I sing my song being all I am
Sing my song being all the love I am

Comeback to love Comeback to love Comeback to love

Come back to love come back to your heart
Come back to love your true home is your love
Come back to love come back to your sweet heart
Come back to love your home is your love

And then sing your song being all you are
Sing your song being all the love you are
Sing your song being all the love you are

Come back to love come back to my heart
Come back to love my true home is my love
Come back to love come back to my sweet heart
Come back to love my home is my love

Sing my song being all the love I am
