CD : „Love Is Who We Are“ / 2015

Isn't that wonderfull how tender you are
Isn't that wonderfull how tender we all can be

**Like a new born child
Like a flower in the wind
Like an angelkiss and your smile
Let me stay with you for a while**

Isn't that wonderfull how fragil you are
Isn't that wonderfull how fragile we all are

**Like a new born child
Like a flower in the wind
Like an angelkiss and your smile
Let me stay with you for a while**

Isn't that wonderfull how precious you are
Isn't that wonderfull how precious we all can be

**Like a new born child
Like a flower in the wind
Like an angelkiss and your smile
Let me stay with you for a while**
