

Brother Sister

Music & Lyrics by Andrea Leonhardi 2016 / www.heavensjoyfullmusic.com / CD: Under The Stars 2016

**I´m your brother I´m your sister I´m your friend
True love is my expression
I´m your brother I´m your sister I´m your son
True love is my expression**

I receive all the light of my soul with the impulses of the all
From a greater plane of love

Can you hear what I say don´t get into the way
Let me send all these messages to you

The world needs your light to find the stairway
Back into their hearts heaven

**I´m your brother I´m your sister I´m your friend
True love is my expression
I´m your brother I´m your sister and your friend
Let us choose love and divine expression**

**I´m your brother I´m your sister I´m your friend
True love is my expression
I´m your brother I´m your sister and your friend
Let us choose love and divine expression**

You receive all the light of your soul
With the impulses of the all from a greater plane of love

Let me love you and adore you
Let this energy flow through you pour it out

Now we know this is true every day of every week
Nothing compares - you are unique

**I´m your brother I´m your sister I´m your son
True love is my expression
I´m your brother I´m your sister I´m your son
True love is my expression**

**You are my brother you´re my sister you´re my son
True love is our expression
We are brothers we are sisters we are friends
True love is our expression
We are divine we are divine we are divine expression**
