

The Same Heartbeat

Music & Lyrics by Andrea Leonhardi 2016 / www.heavensjoyfullmusic.com / CD: Under The Stars 2016

It's the same sun rising on every horizon
It's the same heart-beating in our chest
It's the same delicateness in every chest of a man
It's the same preciousness in every woman everywhere

Never forget never forget
We are here to reflect who we truly are
We are here to reflect the equalness we are

Cause it's the same sun rising on every horizon
It's the same heart-beating in every chest
It is the same delicateness in every chest of a man
It is the same preciousness in every woman everywhere

Never forget never forget
We are here to reflect who we truly are
We are here to reflect the equalness we are

Never forget just listen to the heartbeat next to you
It's the same sunrise on one horizon
There lays the same equalness in everyone
Lays the same delicious love in everyone
The same delicious love in everyone
