

# Changing

Music & Lyrics by Andrea Leonhardi 2016 / [www.heavensjoyfullmusic.com](http://www.heavensjoyfullmusic.com) / CD: Under The Stars 2016

Oh yes I am changing cause I'm going on  
I am expanding I choose to grow

Now I look different cause I changed my way  
I shine light and brightly  
Today I'm no more the same

Surrender to heaven held in that flow  
Surrender to the golden light in my veins  
I'm pulled by the magic allow this love to reign  
Pulled by this magic it is this love that reigns

Everything constellates and comes together  
I'm shure our joy can change the weather  
From rain to sunshine thunder to clear blue sky  
Pulled by this magic allow this love to reign

And do you ask why ?

Why do you look different did you change your way  
You shine light and brightly you're no more the same  
Pulled by this magic this love will reign

Surrender to heaven held in that flow  
Surrender to the golden light in my veins  
Pulled by the magic allow this love to reign

Surrender to heaven being held in thy flow  
Surrender to the silverblue light in your veins

I have the power I bring a change  
Now I'm expanding choose to grow  
With this love we can change our way

Let's shine light and brightly with this love we change the way

Shine light and brightly and with love change your way  
Shine light and brightly your love will change our way
