

Hold You

Written by Andrea Leonhardi and Robbie Boyd

What is love? What is truth?
I can feel it in the way you move
What is trust? What's there to lose?
Is this magic not enough to prove?

That no matter where you are
I will always hold you in my heart
Oh when you look to the moon and stars
Could it be that there is more than us?

Oh what does it mean? Is there something unseen?
That keeps us away from the Kingdom we're from
And what does it mean to really be free?
I choose to be honest, and open and me

**'Cause it's wonderful and there's so much more
To this world that we've been living in
When we realise, with no compromise,
That there's endless love to feel within
I'll hold you, hold you, hold you in my heart
So hold me, hold me, hold me in your heart**

Well is it time? Is there another way?
To release ourselves from all this pain
Can you feel the fire, between the flames?
Seek the treasure flowing through your veins

Oh 'cause no matter where you are
I will always hold you in my heart
And what does it mean to really be free?
I choose to be honest, and open and me

**'Cause it's wonderful and there's so much more
To this world that we've been living in
When we realise, with no compromise,
That there's endless love to feel within
I'll hold you, hold you, hold you in my heart
So hold me, hold me, hold me in your heart**

So come on, jump in, let your light shine bright and your soul back in
Come on, jump in, let your light shine bright and your soul back in

**'Cause it's wonderful and there's so much more
To this world that we've been living in
When we realise, with no compromise,
That there's endless love to feel within
I'll hold you, hold you, hold you in my heart
So hold me, hold me, hold me in your heart
I'll hold you, hold you, hold you in my heart**
