

You Bring Heaven

Music & Lyrics Andrea Leonhardi 2018 | www.heavensjoyfullmusic.com

Badaba da baaa ...

It's in the way I walk that I bring heaven
It's in the way I talk that I bring love
It's in the way I move that I bring heaven
It's in the way I hug that I bring love

It's in the way you walk that you bring heaven
It's in the way you talk that you bring love
It's in the way you move that you bring heaven
It's in the way you are you shine the light

Enjoy your true connection with what we truly are
We bring our glory inspiring everyone

Cause when you walk with heaven
Your walk will change design
Sacred and delicate beautifully shine

It's in the way I walk that I bring heaven
It's in the way I talk that I bring love
It's in the way I move that I bring heaven
It's in the way I hug that I bring love

It's in the way you walk that you bring heaven
It's in the way you talk that you bring love
It's in the way you move that you bring heaven
It's in the way you are you shine the light

Cause when you walk with heaven
Your walk will change design
Sacred and delicate beautifully shine

In your eyes I see
The glory that I am
You touch me with your grace
Let us walk it strong
